Reading Newspaper/Newspaper The paper that provides news and views of home and abroad is Called newspaper. It is called the storehouse of knowledge. Reading newspaper has many advantages. We get all sorts of information through the newspaper. We can know what is happening all over the world through it. It gives us news about politics, economics, culture, literature, education, treatment, games, and sports etc. There are different types of newspapers in our country such as dailies, weeklies, monthlies etc. I read the newspaper daily with intention. In the morning, I wait eagerly for a newspaper. Because of a great source of pleasure and knowledge. In spite of having an importance, the newspaper has some negative sides too. Sometimes newspaper creates misunderstanding by publishing false and baseless news. As a result, it excites the public feelings and does much harm to the country. However, we can not do a single day without a newspaper. It is a part and parcel in our day to our life.
