Vietnam War James H. Willbanks, 2017-11-16 This detailed two volume set considers the Vietnam War one of America's longest and bloodiest wars from a topical perspective addressing the main characters and key events of the war and supplying many relevant primary source documents The Vietnam War not only claimed the lives of nearly 60 000 Americans and more than a million Vietnamese but the prolonged conflict also resulted in a firestorm of protest at home that shook the foundations of the country and made U S citizens question the moral principles and motivations behind our foreign policy and military actions Written in a very accessible style by recognized authorities on the war Vietnam War A Topical Exploration and Primary Source Collection provides students and general readers with a complete overview of the conflict in Vietnam a broad topic that remains an important part of the American history and world history curriculum Using a topical approach to cover all aspects of the war the set enables students to see the complete picture of the conflict through its presentation of reference entries and documents arranged in cohesive compelling chapters Examples of the primary documents in the set include Communist Party Evaluation of the Tet Offensive 1968 and President Richard Nixon's Speech on Vietnamization 1969 These primary sources are augmented by oral histories of soldiers who fought in the Tet Offensive Additionally maps and images in each section enhance the aesthetic appeal of the book and heighten students' understanding of the material Readers will come away with both a strong comprehension of the Vietnam War as well as an appreciation for how significant this proxy conflict was as a lead up event to the global Cold War

The Encyclopedia of the Vietnam War Bloomsbury Publishing, 2011-05-20 Now in its second edition this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U S history The Vietnam War lasted more than a decade was the longest war in U S history and cost the lives of nearly 60 000 American soldiers as well as millions of Vietnamese many of whom were uninvolved civilians The lessons learned from this tragic conflict continue to have great relevance in today's world Now in its second edition The Encyclopedia of the Vietnam War A Political Social and Military History adds an entire additional volume of entries to the already exhaustive first edition making it the most comprehensive reference available about one of the most controversial events in U S history Written to provide multidimensional perspectives into the conflict it covers not only the American experience in Vietnam but also the entire scope of Vietnamese history including the French experience and the Indochina War as well as the origins of the conflict how the United States became involved and the extensive aftermath of this prolonged war It also provides the most complete and accurate order of battle ever published based upon data compiled from Vietnamese sources This latest release delivers even more of what readers have come to expect from the editorship of Spencer C Tucker and the military history experts at ABC CLIO

The ARVN and the Fight for South Vietnam Nghia M. Vo, 2021-09-09 With the withdrawal of French forces from South Vietnam in 1955 the U S took an ever widening role in defending the country against invasion by North Vietnam By 1965 the U S had Americanized the war

relegating the Army of the Republic of Vietnam ARVN to a supporting role While the U S won many tactical victories it had difficulty controlling the territory it fought for As the war grew increasingly unpopular with the American public the North Vietnamese launched two large scale invasions in 1968 and 1972 both tactical defeats but strategic victories for the North that precipitated the U S policy of Vietnamization the drawdown of American forces that left the ARVN to fight alone This book examines the maturation of the ARVN and the major battles it fought from 1963 to its demise in 1975 Despite its flaws the ARVN was a well organized and disciplined force with an independent spirit and contributed enormously to the war effort Had the U S Vietnamized the war earlier it might have been won in 1967 1968 *Kontum* Thomas McKenna, 2011-09-01 In the spring of 1972 North Vietnam invaded South Vietnam in what became known as the Easter Offensive Almost all of the American forces had already withdrawn from Vietnam except for a small group of American advisers to the South Vietnamese armed forces The 23rd ARVN Infantry Division and its American advisers were sent to defend the provincial capital of Kontum in the Central Highlands They were surrounded and attacked by three enemy divisions with heavy artillery and tanks but with the help of air power managed to successfully defend Kontum and prevent South Vietnam from being cut in half and defeated Although much has been written about the Vietnam War little of it addresses either the Easter Offensive or the Battle of Kontum In *Kontum The Battle to Save South Vietnam* Thomas P McKenna fills this gap offering the only in depth account available of this violent engagement McKenna a U S infantry lieutenant colonel assigned as a military adviser to the 23rd Division participated in the battle of Kontum and combines his personal experiences with years of interviews and research from primary sources to describe the events leading up to the invasion and the battle itself Kontum sheds new light on the actions of U S advisers in combat during the Vietnam War McKenna s book is not only an essential historical resource for America s most controversial war but a personal story of valor and survival **Congressional Record** United States. Congress, 1983 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States 1789 1824* the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **The Vietnam War** Geoffrey Wawro, 2024-10-01 The first comprehensive military history of the war in Vietnam The Vietnam War cast a shadow over the American psyche from the moment it began In its time it sparked budget deficits campus protests and an erosion of US influence around the world Long after the last helicopter evacuated Saigon Americans have continued to battle over whether it was ever a winnable war Based on thousands of pages of military diplomatic and intelligence documents Geoffrey Wawro s *The Vietnam War* offers a definitive account of a war of choice that was doomed from its inception In devastating detail Wawro narrates campaigns where US troops struggled even to find the enemy in the South Vietnamese wilderness let alone kill sufficient numbers to turn the tide in their favor Yet the war dragged on prolonged by presidents and military leaders who feared the

political consequences of accepting defeat In the end no number of young lives lost or bombs dropped could prevent America's ally the corrupt South Vietnamese regime from collapsing the moment US troops retreated Broad definitive and illuminating The Vietnam War offers an unsettling resonant story of the limitations of American power **Board of Contract Appeals Decisions** United States. Armed Services Board of Contract Appeals,1980 **The Vietnam War** Bernard C. Nalty,2015-06-25 The Vietnam War was the bloodiest and one of the most fascinating conflicts in the history of warfare It began with America pouring massive military aid upon the South Vietnamese in an attempt to thwart a Communist takeover and culminated in the peace with honour withdrawal by the Nixon administration This authoritative account accurately details every aspect of the Vietnam War and provides an overall view of the impact which it continues to have to this day **Pears Cyclopaedia, 1981-82** Chris Cook,1981 The Foreign Office List and Diplomatic and Consular Year Book for ... Great Britain. Foreign Office,1925 **The First Vietnam War** Mark Atwood Lawrence,Fredrik Logevall,2007-02-28 How did the conflict between Vietnamese nationalists and French colonial rulers erupt into a major Cold War struggle between communism and Western liberalism To understand the course of the Vietnam wars it is essential to explore the connections between events within Vietnam and global geopolitical currents in the decade after the Second World War In this illuminating work leading scholars examine various dimensions of the struggle between France and Vietnamese revolutionaries that began in 1945 and reached its climax at Dien Bien Phu Several essays break new ground in the study of the Vietnamese revolution and the establishment of the political and military apparatus that successfully challenged both France and the United States Other essays explore the roles of China France Great Britain and the United States all of which contributed to the transformation of the conflict from a colonial skirmish to a Cold War crisis Taken together the essays enable us to understand the origins of the later American war in Indochina by positioning Vietnam at the center of the grand clash between East and West and North and South in the middle years of the twentieth century *The Vietnam War* Jeff Hay,2009-06-24 This volume examines America's most controversial war by placing it within the context of over thirty years of warfare in Southeast Asia The comprehensive list of entries includes discussion of political developments descriptions of important leaders such as Lyndon B Johnson and Ho Chi Minh consideration of the antiwar movement and the military aspects of the conflict *Chase's Calendar of Events 2021* Editors of Chase's,2020-10-27 Find out what's going on any day of the year anywhere across the globe The world's date book since 1957 Chase's is the definitive authoritative day by day resource of what the world is celebrating and commemorating From national days to celebrity birthdays from historical anniversaries to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase's is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2021 Chase's also features extensive appendices as well as a companion website that puts the power of Chase's at the user's fingertips 2021 is packed with special

Chickering,2025-05-31 This is a lost and extraordinary story William Chickering has excavated it with heroic persistence and now tells it with authority empathy and grace Damn what a fine and valuable book David Quammen author of bestselling Spillover and three time National Magazine Award winner In Vietnam in 1967 William Chickering commanded a Mike Force battalion of Montagnards highland tribesmen who were also members of a secret army FULRO whose aim was to rid the highlands of all Vietnamese both communist and non communist Fighting for land and dignity they saw the Vietnamese as colonialists and themselves as revolutionaries For a while FULRO appeared capable of changing the course of the war Then inexplicably it faded away Chickering s quest to understand FULRO took him to Phnom Penh in 1973 where he found five of the six leaders the sixth having been mysteriously murdered He was unable to discern the truth behind their political smoke Two years later 150 of them men women and children took refuge in the French Embassy as the city fell but were expelled into the hands of the Khmer Rouge Among them was the family of Bhan one of the leaders In the United States at the time of the fall he tried to learn their fate with Chickering s help but Cambodia had become a tomb In 1986 Bhan headed out into the world to learn for himself He resurfaced in Cambodia 22 years later after an extraordinary odyssey never having found them Had they and the rest of the FULRO Montagnards been executed or could they still be alive somewhere in the hinterlands Determined to learn the truth Chickering moved to Phnom Penh His research led him to the widow of a Cambodian Cham widely assumed to have been FULRO s puppeteer and eventually to FULRO s secret papers From these he was able to piece together why FULRO faded away and how that was connected to its one last heroic shot in 1965 to win a country of the Montagnards own This extraordinary account corrects history s assumption that Vietnam s Montagnards were only pawns revealing how an ideology of their own ethnonationalism gave them the agency to create an army and clandestine movement that kept Hanoi Saigon and Washington guessing **Between War and the State** Van Nguyen-Marshall,2023-07-15 In Between War and the State Van Nguyen Marshall examines an array of voluntary activities including mutual help professional charitable community development student women s and rights organizations active in South Vietnam from 1954 to 1975 By bringing focus to the public lives of South Vietnamese people Between War and the State challenges persistent stereotypes of South Vietnam as a place without society or agency Such robust associational life underscores how an active civil society survived despite difficulties imposed by the war government restrictions economic hardship and external political forces These competing political forces which included the United States Western aid agencies and Vietnamese communist agents created a highly

competitive arena wherein the South Vietnamese state did not have a monopoly on persuasive or coercive power To maintain its influence the state sometimes needed to accommodate groups and limit its use of violence Civil society participants in South Vietnam leveraged their social connections made alliances appealed to the domestic and international public and used street protests to voice their concerns secure their interests and carry out their activities *Vietnam War Refugees in Guam* Nghia M. Vo, 2022-04-06 More than 130 000 South Vietnamese fled their homeland at the end of the Vietnam War Tens of thousands landed on the island of Guam on their way to the U S Many remained there Guamanians and U S military personnel welcomed them Funded by a 405 million Congressional appropriation Operation New Life was among the most intensive humanitarian efforts ever accomplished by the U S government with the help of the people of Guam Without it many evacuees would have died somewhere in the Pacific Ocean This book chronicles a part of the first mass migration of Vietnamese boat people before and after the fall of Saigon in April 1975 a story still unfolding almost half a century later

Airlift Tanker ,1995 The history of the use of airlift and tanker forces in the U S military from the early biplane to today s advanced aircraft is brilliantly described in this book **Vietnam Fights and Builds** ,1964 **The Marine Corps Gazette** ,1983 *Navy Medicine in Vietnam* Jan K. Herman, 2009-01-14 The book chronicles the Navy Medical Department s participation in Vietnam beginning with the Navy s rescue of the French survivors of the Battle of Dien Bien Phu in 1954 and ending with the Navy s rescue of Vietnamese refugees fleeing the fall of South Vietnam in 1975 When American involvement reached its peak in 1968 the 750 bed Naval Support Activity Hospital Danang NSAH was in full operation and two hospital ships the USS Repose and the USS Sanctuary cruised offshore Whether the situation called for saving the lives of injured sailors aboard a burning aircraft carrier or treating a critically wounded Marine for shock in the rubble strewn streets of Hue Navy medical personnel were in Vietnam from the beginning of American involvement to the very end saving thousands of lives This book tells the story of the Navy Medical Department s involvement through stark and gripping first person accounts by patients and the Navy physicians dentists nurses and hospital corpsmen who treated them More than 50 historic photos document their work
