Nice Book Pagan Moon Cathedral Freda Warrington:

The Triumph of the Moon Ronald Hutton, 2019 This is the second and extensively revised edition of the first full scale scholarly study of what is arguably the only fully formed religion that England has ever given the world that of modern pagan witchcraft which has now spread from English shores across four continents Ronald Hutton examines the nature of that religion and its development and offers a history of attitudes to witchcraft paganism and magic in British society since 1800 Its pages reveal village cunning folk Victorian ritual magicians classicists and archaeologists leaders of woodcraft and scouting movements Freemasons and members of rural secret societies We also find some of the leading figures of English literature from the Romantic poets to W B Yeats D H Lawrence and Robert Graves as well as the main personalities who have represented pagan witchcraft to the public world since 1950 Thriller writers like Dennis Wheatley and films and television programmes get similar coverage as does tabloid journalism The material is by its very nature often sensational and care is taken throughout to distinguish fact from fantasy in a manner not hitherto applied to most of the stories involved Consistently densely researched Triumph of the Moon presents an authoritative insight into an aspect of modern cultural history which has attracted sensational publicity but has hitherto been little understood This edition incorporates all of the new research carried out into the subject by the author and by others who have often been inspired by this book during the twenty years since it was first published

The Mammoth Book of Vampire Stories by Women Stephen Jones, 2017-10-10 Thirty five uncanny and erotic tales of vampires written by supernatural fiction's greatest mistresses of the macabre Fashions change and the urbane vampire created by Byron and cemented in place by Stoker has had to move on Are you like me ready for the new dusk Ingrid Pitt from her Introduction Prepare to arm yourself with garlic silver bullets and a stake Featuring the only vampire short story written by Anne Rice the undisputed queen of vampire literature and boasting an autobiographical introduction and original tale by Ingrid Pitt the star of Hammer Films The Vampire Lovers and Countess Dracula this is one anthology that every vampire fan vampiric feminist or not will want to drink deep from From the classic stories of Edith Wharton Edith Nesbit Mary E Wilkins Freeman and Mary Elizabeth Braddon to modern incarnations by such acclaimed writers as Poppy Z Brite Nancy Kilpatrick Tanith Lee Caitlín R Kiernan and Angela Slatter these blood drinkers and soul stealers range from the sexual to the sanguinary from the tormented Good to the unspeakably Evil Among those memorable Children of the Night you will encounter are Chelsea Quinn Yarbro's Byronic vampire Saint Germain Nancy A Collins undead heroine Sonja Blue Tanya Huff's vampiric detective Vicki Nelson and Freda Warrington's age old lovers Karl and Charlotte Nominated for the World Fantasy Award and the International Horror Guild Award and now revised and updated The Mammoth Book of Vampire Stories by Women fulfils the bloodlust of the somnambulist horror fan delivering the ultimate bite

[The Mammoth Book of Best New Horror](#) Stephen Jones, Ramsey Campbell, 1997

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where

supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature *Pagan Moon* Freda Warrington,1997 **The Writers Directory** ,2013 **The A to Z of Fantasy Literature** Brian

Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
