Post, 2015 This book analyzes narcissism and politics and systematically explores the psychology of narcissism the entitlement the grandiosity and arrogance underlying insecurity the sensitivity to criticism and the hunger for acclaim illustrating different narcissistic personality features through a spectrum of international and national politicians The Political Psychology of Israeli Prime Ministers Yael S. Aronoff, 2014-05-29 This book examines leaders of the seemingly intractable conflict between Israel and its Palestinian neighbors It takes as an intellectual target of opportunity six Israeli prime ministers asking why some of them have persisted in some hard line positions but others have opted to become peacemakers This book argues that some leaders do change and above all it explains why and how such changes come about This book goes beyond arguing simply that leaders matter by analyzing how their particular belief systems and personalities can ultimately make a difference to their country's foreign policy especially toward a long standing enemy Although no hard liner can stand completely still in the face of important changes only those with ideologies that have specific components that act as obstacles to change and who have an orientation toward the past may need to be replaced for dramatic policy changes to take place God's Jury Cullen Murphy, 2013-07-25 From Cullen Murphy editor at large of Vanity Fair God's Jury is a chilling and powerful account of how the techniques used by the Spanish Inquisition created our modern world For centuries states have used their power to censor watch manipulate and punish God's Jury argues that the Inquisition the Catholic body that existed for over 700 years is not a medieval oddity but is intrinsically bound up with modernity From Vatican archives to Guantanamo Bay and the Third Reich Cullen Murphy shows how the Inquisition's techniques record keeping bureaucracy and a terrifying sense of certainty are now standard operating procedure and that the battle between private conscience and

outside forces is the central contest of the modern era Cullen Murphy is Vanity Fair's editor at large and the author of *Are We Rome* and *The Word According to Eve* He was previously the managing editor of *The Atlantic Monthly* Lucid and provocative blistering cogent and powerful A persuasive argument that we still live in the world the inquisition made a world of us and them of moral self righteousness and intellectual intolerance Sunday Times Beguiling and horrifying a book rich in stories and imaginative connections John Cornwell author of *Hitler's Pope* A grand and scary tour of inquisitorial moments racing back and forth in history from Torquemada to Dick Cheney Adam Gopnik New Yorker A dark but riveting tale told with luminous grace Michael Sandel author of *Justice* and *What Money Can't Buy* God's Jury is a reminder and we need to be constantly reminded that the most dangerous people in the world are the righteous Mark Bowden author of *Black Hawk Down* and *Guest of the Ayatollah*

The Crisis of Zionism Peter Beinart, 2012-03-27 Israel's next great crisis may come not with the Palestinians or Iran but with young American Jews A dramatic shift is taking place in Israel and America In Israel the deepening occupation of the West Bank is putting Israeli democracy at risk In the United States the refusal of major Jewish organizations to defend democracy in the Jewish state is alienating many young liberal Jews from Zionism itself In the next generation the liberal Zionist dream the dream of a state that safeguards the Jewish people and cherishes democratic ideals may die In *The Crisis of Zionism* Peter Beinart lays out in chilling detail the looming danger to Israeli democracy and the American Jewish establishment's refusal to confront it And he offers a fascinating groundbreaking portrait of the two leaders at the center of the crisis Barack Obama America's first Jewish president a man steeped in the liberalism he learned from his many Jewish friends and mentors in Chicago and Benjamin Netanyahu the Israeli prime minister who considers liberalism the Jewish people's special curse These two men embody fundamentally different visions not just of American and Israeli national interests but of the mission of the Jewish people itself Beinart concludes with provocative proposals for how the relationship between American Jews and Israel must change and with an eloquent and moving appeal for American Jews to defend the dream of a democratic Jewish state before it is too late
