Early Access Deals Streaming Top Shows Review:

The Technology, Business, and Economics of Streaming Video Eli Noam, 2021-01-29 Along with its interrelated companion volume *The Content Impact and Regulation of Streaming Video* this book covers the next generation of TV streaming online video with details about its present and a broad perspective on the future It reviews the new technical elements that are emerging both in hardware and software their long term trend and the implications It discusses the emerging media cloud of video and infrastructure platforms and the organizational form of such TV **Communication**

Technology Update and Fundamentals August E. Grant, Jennifer Harman Meadows, 2012 How do people in business keep up with the trends and how do they differentiate good information from bad information How do they consider the environmental and sustainability issues surrounding communication technology This book answers these questions Provided by publisher

Researching Live Music Chris Anderton, Sergio Pisfil, 2021-11-17 Researching Live Music offers an important contribution to the emergent field of live music studies Featuring paradigmatic case studies this book is split into four parts first addressing perspectives associated with production then promotion and consumption and finally policy The contributors to the book draw on a range of methodological and theoretical positions to provide a critical resource that casts new light on live music processes and shows how live music events have become central to raising and discussing broader social and cultural issues Their case studies expand our knowledge of how live music events work and extend beyond the familiar contexts of the United States and United Kingdom to include examples drawn from Argentina Australia France Jamaica Japan New Zealand Switzerland and Poland Researching Live Music is the first comprehensive review of the different ways in which live music can be studied as an interdisciplinary field including innovative approaches to the study of historic and contemporary live music events It represents a crucial reading for professionals students and researchers working in all aspects of live music **FCC Record** United States. Genres and Intergenerational Viewing Djoymi Baker, Jessica Balanzategui, Diana Sandars, 2023-07-04 Focusing on Netflix's child and family orientated platform exclusive content this book offers the first exploration of a controversial genre cycle of dark science fiction horror and fantasy television under Netflix's Family Watch Together TV tag Using a ground breaking mix of methods including audience research interface and textual analysis the book demonstrates how Netflix is producing dark family telefantasy content that is both reshaping child and family friendly TV genres and challenging earlier broadcast TV models around child appropriate family viewing It illuminates how Netflix encourages family audiences to watch together through intergenerational dynamics that work on and offscreen The chapters in this book explore how this Netflixication of family television developed across landmark examples including *Stranger Things* *A Series of Unfortunate Events* *The Dark*

Crystal Age of Resistance and even Squid Game The book outlines how Netflix is consolidating a new dark family terrain in the streaming sector which is unsettling older concepts of family viewing leading to considerable audience and critical confusion around target audiences and viewer expectations This book will be of particular interest to upper level undergraduates graduates and scholars in the fields of television studies screen genre studies childhood studies and cultural studies *Aligned* Bruce McCarthy,Melissa Appel,2024-05-31 Product management naturally incorporates empathy psychology and thinking outside the box in pursuit of the best design for products But how often do you apply those same skills to your relationships with people in your company By breaking the art of stakeholder management into simple lessons and frameworks this practical book shows product managers how to manage the crucial relationships that will help you make an impact and advance your career You ll learn how to build trusting relationships with stakeholders optimize your communication for different audiences get buy in for your ideas and roadmaps and have stakeholders appreciate it when you say no You ll learn how to Build and maintain trust with your stakeholders Map your organization and identify the real power players Establish roles and build an extended team that works well together Communicate in a way that speaks to the needs and goals of different stakeholders Get buy in on your ideas and roadmap Make stakeholders appreciate and support you when you say no Sustain buy in over time Manage difficult stakeholders and personalities *Can the Work Programme work for all user groups?* Great Britain: Parliament: House of Commons: Work and Pensions Committee,2013-05-21 The Work Programme has the potential to work well for relatively mainstream jobseekers but is unlikely to reach the most disadvantaged long term unemployed people The Government spent some 248 million less on the Work Programme than anticipated in 2012 13 due to providers under performance in a payment by results programme In the short term the Committee urges the Government to use the unspent Work Programme budget to extend proven alternative provision for disadvantaged jobseekers such as the Work Choice programme for disabled people extend and continue to promote Access to Work to help disabled people overcome the practical difficulties of starting a job and provide further support for individuals who complete their two year attachment to the Work Programme without finding sustained employment The Committee also highlights that people with the severest barriers to work such as homelessness and serious drug and alcohol problems are often not ready for the Work Programme and need support first to prepare for it It recommends that DWP pilots ways of providing this additional support to prepare these groups for effective engagement with the Work Programme before they are referred In the longer term the Committee calls on DWP to consider moving away from the current differential pricing model which is based on the type of benefit a participant is claiming to a much more individualised needs based model The Report recommends that DWP should assess how a needs based pricing structure could determine the appropriate level of up front funding and the types of services required to support individual jobseekers *A Cognitive Psychology of Mass Communication* Fred W. Bhattacharya, Malay Gangopadhyaya, 2024-05-30 IRTM 2023 We live in an inter connected world In the era of Industry 5.0 technology is getting embedded more and more in the way we learn live work and play This progression is accelerating at a pace never seen before Inter disciplinary and collaborative research across disciplines within the Technology domain and Management domain and across the Technology Management interface is opening up exciting new possibilities for solving problems whose solutions are beyond the scope of a single discipline domain or practice and helping to create a brave new world We are living in an incredible time of change Our effort to hold such an interdisciplinary conference in the virtual mode apparently resonated across the academic community as was evident from the huge response that the first ever conference on Interdisciplinary Research in Technology and Management IRTM held in February 2021 had received from participants across many countries This has encouraged the organizers to hold the next edition of the conference physically in Kolkata on a larger scale in the online mode The pandemic unleashed by Covid 19 in the last two years has shaken the socio economic foundations of countries and societies to a point where the world cannot be the same as before the pandemic It has refocused the world's attention on the priority of healthcare and healthcare infrastructure and its innovative management Inevitably questions have again been raised more vehemently on what kind of a world we want to live in Environmental concerns are being pursued with renewed vigour The urgency of developing new robust infrastructure relevant for the new world is gaining wider consensus By 2030 as reports suggest cyber physical systems internet of things and wearable technology will be everywhere and in everything renewable energy will power the world and digital entertainment will take centre stage among other developments The third edition of the conference on Interdisciplinary Research in Technology and Management attempts to spotlight the above concerns The number of tracks on which papers are invited from scholars researchers consultants and practitioners to share their interdisciplinary research and consultative work has been enlarged As before the papers will be peer reviewed and authors of the selected papers will be invited to present their papers in the IRTM conference The presentation of papers will be interspersed with Keynote Talks by eminent experts on the theme of the conference or individual domains

Media Audiences John L. Sullivan, 2019-07-24 Whether we are watching TV surfing the Internet listening to our iPods or reading a novel we all engage with media as an audience Despite the widespread use of this term in our popular culture the meaning of audience is complex and it has undergone significant historical shifts as new forms of mediated communication have developed from print telegraphy and radio to film television and the Internet Media Audiences Effects Users Institutions and Power 2nd Edition explores the concept of media audiences from four broad perspectives as victims of mass media as market constructions and commodities as users of media and as producers and subcultures of mass media The goal of the text is for students to be able to think critically about the role and status of media audiences in contemporary society reflecting on their relative power in relation to institutional media producers
