Rewind, Play, Fast Forward Henry Keazor, Thorsten Wübbena, 2015-07-15 Due to shifts in the contexts of the production and presentation of the music video more and more people start to talk about a possible end of this genre At the same time disciplines such as visual film and media studies art and music history begin to realize that despite the fact that the music video obviously has come of age they still lack a well defined and matching methodical approach for analyzing and discussing

videoclips For the first time this volume brings together different disciplines as well as journalists museum curators and gallery owners in order to take a discussion of the past and present of the music video as an opportunity to reflect upon suited methodological approaches to this genre and to allow a glimpse into its future *Extremely Online* Taylor Lorenz, 2023-10-05 A terrific history of the online creator economy The New York Times This book is about a revolution It has radically upended how we've understood and interacted with our world It has demolished traditional barriers and empowered millions who were previously marginalized It has created vast new sectors of our economy while devastating legacy institutions It is often dismissed by traditionalists as a vacant fad when in fact it is the greatest and most disruptive change in modern capitalism Acclaimed Washington Post reporter Taylor Lorenz presents a groundbreaking social history of the internet revealing how online influence and the creators who amass it have reshaped our world online and off For over a decade Taylor Lorenz has been the authority on internet culture documenting its far reaching effects on all corners of our lives Her reporting is serious yet entertaining and illuminates deep truths about ourselves and the lives we create online In her debut book *Extremely Online* she reveals how online influence came to upend the world demolishing traditional barriers and creating whole new sectors of the economy By tracing how the internet has changed what we want and how we go about getting it Lorenz unearths how social platforms power users radically altered our expectations of content connection purchasing and power Lorenz documents how moms who started blogging were among the first to monetize their personal brands online how bored teens who began posting selfie videos reinvented fame as we know it and how young creators on TikTok are leveraging opportunities to opt out of the traditional career pipeline It's the real social history of the internet Emerging seemingly out of nowhere these shifts in how we use the internet seem easy to dismiss as fads However these social and economic transformations created a digital dynamic so unappreciated and insurgent that it ultimately created new approaches to work entertainment fame and ambition in the 21st century *Extremely Online* is the inside untold story of what we have done to the internet and what it has done to us *Consuming and Producing Research in Communication Sciences and Disorders* Robert Goldfarb, 2019-06-21 *Consuming and Producing Research in Communication Sciences and Disorders* is an exciting new textbook designed for undergraduate research methods in communication sciences and disorders CSD programs It is also appropriate for first year graduate students taking research methods courses in speech language pathology and audiology The text guides students in attaining the competencies required to consume produce and disseminate research and students will have the knowledge and skills that are necessary and sufficient to conduct research as is consistent with the duties of an academic professor The text reviews what obligations an individual professor or not has before being permitted to do research The emphasis is on clinically oriented professionals who can perform the research associated with professors Part I on Consuming Research in CSD includes academic clinical integration of research as well as information required for consumption of research such as research ethics the scientific method types of research and how to

critique a journal article and a diagnostic test Part II on Producing Research in CSD helps guide the undergraduate student in producing a capstone project or senior thesis and the master's student in producing a graduate thesis or research project Part II also addresses mentoring the Institutional Review Board and conducting academic and clinical research Part III addresses Disseminating Research in CSD from the traditional presenting and publishing academic and clinical research to the non traditional marketing social media and new technologies Key Features Each chapter begins with an Introduction and Learning Objectives to set the scene and prepare the student for what is covered Advanced Study Questions end each chapter and allow the student to review their skills Boxes throughout the text highlight key points and explore topics in more depth Disclaimer Please note that ancillary content such as documents audio and video etc may not be included as published in the original print version of this book
