The Sign in Sidney Brustein's Window Lorraine Hansberry, 2012-02-22 From the award winning author of *A Raisin in the Sun* comes one of the most electrifying classic masterpieces of the American theater an unforgettable portrait of a man struggling with his individual fate in an age of racial and social injustice Rich and warm and funny beautifully written Los Angeles Times *The Sign in Sidney Brustein's Window* along with *A Raisin in the Sun* are milestones in the American theater remarkable not only for their historical value but for their continued ability to engage the imagination and the heart It is drama of such clarity that one may return to it again and again and I expect emerge as deeply moved and each time the more illumined Miss Hansberry I am convinced doesn't know how to create a character who isn't gloriously diverse illuminatingly contradictory heart breakingly alive A personal odyssey of discovery a confrontation with others in the process of which Brustein discovers himself from the Foreword by John Braine With an Introduction by Robert Nemiroff **A Hero in All of Us?** Stephen Clouse, Aaron Kushner, 2024-08-26 Is heroism possible for everyone Should it be What kinds of stories do we tell when we talk about heroes and what do these stories reveal about how we view ourselves This book takes up these questions and more by reflecting on twenty first century American television shows Among the shows examined are *Only Murders in the Building* *Game of Thrones* *The Good Lord Bird* *The Boys* and *Severance* What we find is an entertainment landscape unsure about what a hero is or even what qualifies as heroic In a nation uncertain about heroism we see a dramatic rise in the popularity of the anti hero and even in worlds without heroes This fragmented variety highlights how the American political mind is similarly fragmented in what it believes are its highest aspirations and its deepest anxieties It is this fragmentation that may help us understand why twenty first century entertainment has elevated the heroic to the supernatural while simultaneously democratizing heroism to the point where anyone may become one *A Hero in All of Us* Heroism and American Political Thought as Seen on TV explores this multifaceted landscape to better understand how Americans view their heroes and themselves Entrepreneurial New Venture Skills David C. Kimball, Robert N. Lussier, 2014-07-17 As business schools expand their entrepreneurship programs and organizations seek people with entrepreneurial skills it has become clear that the skills and mindset of an entrepreneur are highly valued in all business contexts This latest edition of *Entrepreneurial New Venture Skills* continues to focus on helping students develop entrepreneurial skills whether they seek to become entrepreneurs or employees Focusing on the entrepreneurial start up process the third edition of *Entrepreneurial New Venture Skills* takes the reader through the steps of selecting planning financing and controlling the new venture The authors cover multiple forms of new ventures as well as ways to utilize entrepreneurial skills in other contexts encouraging students to engage with the material and apply it to their lives in ways that make sense for them Skill development features include Entrepreneurial profiles of small business owners Personal applications for students to apply questions to their new venture or a current business Global and domestic cases Elevator

pitch assignments which put students in the venture capitalist position Application exercises and situations covering specific text concepts Business plan prompts to help students construct a business plan over the course of a semester Featuring pedagogical tools like review questions and learning outcomes and a full companion website that expands upon skill development and offers instructor resources the third edition of Entrepreneurial New Venture Skills is the perfect resource for instructors and students of entrepreneurship

TV's American Dream Barbara Selznick, 2025-01-23 TV's American Dream examines how the U S television industry in the 2010s pursued audiences whose ideas about hope fairness work and economic class were shaped by the Great Recession While Americans navigated the trauma of the economic meltdown the television industry faced growing pressure stemming from new program distribution and viewing methods increasingly fragmented audiences shifts in methods of advertising and regulatory changes To cut through the clutter of television content to appeal to elusive viewers television programming reimaged some of the traditional representations of the American Dream and continued to bolster others Exploring shows on different platforms from legacy networks to Netflix Selznick takes a deep dive into representations of the American Dream on television Each chapter of this book focuses on a particular strategy mobilized in the second decade of the new century to speak to audiences about their expectations for and concerns about the Dream Bringing together research on industrial practices with an examination of sociocultural context TV's American Dream demonstrates how interconnected forces give rise to the television programs that reinforce and redefine audiences ideas about the world in which they live
